Residential on 0.00 Acres

COPPER HILL, Baltimore, MD

Tucked away in a peaceful, established neighborhood surrounded by mature greenery, this contemporary-style home offers privacy, comfort, and great amenities year-round.

Inside, hardwood floors run throughout an open yet well-defined floor plan that gives the space a natural rhythm while a cathedral height ceiling and skylights above the main staircase create a sense of vertical space. The kitchen has a “cheffy” feel with a grill-top 36” range and a large range hood, granite countertops and stone backsplash. The living area with a wood burning fireplace opens to a generous deck. Upstairs you’ll find three spacious bedrooms, including a huge primary suite with a large walk-in closet, balcony and a private en suite bathroom. The finished lower level family room has its own wood burning fireplace and sliding glass doors that walk you out to a covered patio. A generous laundry area and workroom offer tons of storage. Enjoy summer days by the swimming pool or on the tennis courts and then cozy up in front of one of two woodburning fireplaces in the fall. Come home to a place that feels like a retreat yet is only moments away from the shops in Mt. Washington and Quarry Lake, I-83 and 695.
