Upstairs, you’ll find a spacious primary suite with a tiled shower, two additional bedrooms, a full hall bath, and a convenient laundry room. Complete with a one-car garage, Energy Star mechanicals, and propane heat, the Beethoven is designed for today and ready to grow with tomorrow. Priced at \$629,900. The Bernstein – Offering over 2,500 finished square feet, this expansive plan combines

elegance with practicality. The open kitchen and great room provide the ideal gathering space, while the luxurious primary suite serves as your private retreat. Flexible additional rooms adapt easily into a home office, guest suite, or creative space. A two-car garage leads to a smartly designed mudroom and drop zone, while the unfinished basement provides abundant storage and future expansion possibilities. For even more versatility, consider finishing the loft above the main level. Priced at \$719,500.

Both the Beethoven and Bernstein can be customized to include a desirable first-floor in-law suite, ensuring comfort and flexibility for multigenerational living.

The list price includes the lot price, estimated site work, permits, and the base price of the home (final numbers may vary with your chosen floor plan and customizations). Every home is protected with a 2/10 Homeowner Warranty for peace of mind.

This is your opportunity to bring your vision to life with a builder that values your input, respects your budget, and delivers the quality you deserve.
