Residential on 3.37 Acres

CANDLEWICKE, Sykesville, MD

Peacefully set on a secluded and private lot, this beautifully maintained ranch-style residence rests on over 3 sprawling acres in the serene Candlewick community, backing directly to Piney Run Lake. Lush front landscaping, garden walls, and a wide front yard create a welcoming first impression, leading to a charming front porch. Step inside to find gleaming hardwood floors and a traditional, thoughtfully designed layout. The main level begins with a foyer that opens to a formal living room with bow windows, and a formal dining room that flows into a sunny breakfast area. A nearby mudroom/laundry room offers convenient side exterior access. The gorgeous kitchen features upgraded countertops, an island, and stainless steel appliances, and opens seamlessly to the inviting family room. Here, a gas fireplace with a brick surround, built-in bookcases, and sliding doors to the screened porch create the perfect setting for everyday living or entertaining. Hardwood floors continue throughout the main level, which offers three spacious bedrooms, including the primary suite with a private full bathroom, three closets (one walk-in), and its own exterior access. A second full bathroom with a dual-sink vanity completes the main level.

The finished lower level, updated in 2022, provides exceptional flexibility with a recreation room featuring an extra-large wood stove set against an exposed brick corner wall, luxury

vinyl plank flooring, and a full kitchen. A bedroom with two closets and a full bathroom with a roll-in, handicap-accessible shower makes this level ideal for an in-law suite or guest quarters. There are also three unfinished rooms—two utility rooms with storage and one additional storage space—offering ample room for organization and projects. Outdoor living shines with a screened porch overlooking the expansive backyard, complete with a fenced in-ground pool, garden boxes, and a storage shed. The property backs directly to Piney Run Lake, offering a peaceful, private setting surrounded by nature. Recent updates include: HVAC system (2 years), fence (2 years), storm doors (5 months), well pump (3 years), roof (3 years), gutters and windows (3 years), sidewalks (3 months), pool liner (2 months), driveway paving (4 years), and hot water heater (6 months).
